

CAFE MENU

The hospitality of Japan, originating from the tea ceremony, values the spirits of "wabi" and "sabi", cherishing simplicity and embracing imperfection, and offering hospitality called O-MO-TE-NA-SHI by understanding the feelings of others. It is a traditional culture that Japan proudly shares with the world.

At "Kyoto Kichi," we aim to offer a high-quality and healthy lifestyle by cherishing this traditional Japanese culture as the heart of Japan, through carefully selected domestic ingredients that prioritize origin, quality, and freshness.
